Otters: Do 4 requirements including the 2 starred
Dolphins: Do 5 requirements including the 2 starred
Butterflies: Do 6 requirements including the 2 starred
Eagles: Do 7 requirements including the 2 starred

_____ 1.* Memorize five consecutive verses recited in one sitting with no more than two mistakes.

Otters need to do this 4 times or 20 verses total.

Dolphins need to do this 5 times, or 25 verses total.

Butterflies need to do this 6 times or 30 verses total

Eagles need to do this 7 times or 35 verses total

Two passages, ten or more verses each is fine. For short Psalms, memorize more than one in sequence. If the chosen passage is one verse too long, one of the requirements will need to be six verses long. If the chosen passage is one or two verses short, a couple miscellaneous verses may be added.

_____ 2.* Discuss with a parent what these verses mean to you and how they should effect your life.

_____ 3. Make a poster, painting, or sculpture of what a Bible passage(s) mean to you.

_____ 4. Compose or learn a song that includes a Bible passage.

_____ 5. Write a paper about the historical context of a Bible passage.

_____ 6. Choose a charitable project that shows what you learned from the Bible verses you memorized.

_____ 7. Help a younger person memorize the one of the passages you chose to learn.

_____ 8. Locate on a map where one of your Bible verses was written, speaks about, or took place.

_____ 9. Write an essay about how one of these verses could effect you, your community, or the world.
