_____ 1. * Loving God is the first part of the Frontier Girl promise. Discuss how different people show love for God. How many ways do you show God you love him each day. Through prayer? Being kind to others? Attending church? Say a prayer to God tell him how much you love him and why.

_____ 2. * Loving your neighbor as yourself is also part of the Frontier Girl promise as well as our creed. Discuss how you can show love to others. Ideas may include showing kindness, sharing, helping with chores, letting someone else go first, etc. See how big a list you can come up with. What areas can you improve in your own life? Maybe you can let your sibling choose the TV show, or let your friend decide what game to play. You could offer to help your mom with a chore without being asked, or bring your dad his slippers when he gets home.

_____ 3. Loving yourself is just as important as loving others. God made you as a unique individual with a special purpose. Make a list of everything you love about yourself. Do not put anything on the list that has to do with what you look like because that is not who you are, but rather what people see. Do you have a great sense of humor? Can you sing beautifully or draw with precision? Do you show kindness to others? Focus on those things you love about yourself and find a way to share them with others.

_____ 4. Love Family

5. Love pets/animals

6. Love friends

7. Love of country
